**"Lisa"**

Lisa MacInnes was the soccer commissioner at St. Jane de Chantal. Lisa passed away in 2004 at the age of 45.

She was a strong supporter of both de Chantal soccer and soccer in the diocese and oversaw a highly competitive soccer program during her tenure as commissioner at de Chantal. She coached both girls and boys for many years working closely with the developmental soccer program for the younger kids at de Chantal.

During her two year battle with cancer, she even continued to coach between her rounds of treatment.

She was a student of the game, continually taking coaching classes and achieving a level 4 license which would allow her to coach at the high school level.

Lisa always made her decisions based on what would give the players the best experience possible. She loved the kids and she loved the game.
