

**CATHOLIC YOUTH ORGANIZATION**  
**Archdiocese of Washington**

July 30, 2007

1. On-line Registration for 2007-08 Program Year, including Standards of Behavior for Spectators. Beginning Sunday, April 29, 2007, participants can register for the 2007-08 program year at [www.washcyosignup.com](http://www.washcyosignup.com). If a participant registered on-line during or prior to the 2006-07 program year, to be eligible for a 2007-08 roster, the participant's parent/guardian must re-enter the system using the participant's username and password, and go to Step 1 to enter the participant's 2007-08 grade and update any other changed information (e.g., e-mail address, home address, or phone number). One additional feature for 2007-08 participant on-line registration is the requirement that the participant's parent(s)/guardian(s) must review and accept the Standards of Spectator Behavior, which also can be accessed via a link in Step 1 of the on-line registration process. This must be done for a participant to be eligible for a 2007-08 roster. When the user's on-line registration update is completed, they need to be sure to print/sign/date the Summary Information form and provide it to their Parish or School CYO program with the applicable fee.

3. All Adult Leaders/Coaches must Review and Accept Code of Ethics each program year. As part of their initial on-line registration and on an annual basis thereafter, EVERY Adult Leader/Coach must review and accept the Adult Leader/Coach Code of Ethics. For those Adult Leaders/Coaches registered on-line during or prior to the 2006-07 program year, to be eligible to create/be listed on/access a 2007-08 roster, he/she must re-enter the system using his/her username and password, click on the "Edit My Information" link and, in addition to updating any changed information (e.g., e-mail address, home address, or phone number), click on the "ethics code" link that opens a window containing the Code of Ethics. After reviewing the Code, the Adult Leader should click on the button to indicate he/she accepts the Code, close the window, and then update his/her information by clicking on the "Update" button at the bottom of the form. The Adult Leader/Coach Code of Ethics also will be available to review on [www.washcyosignup.com](http://www.washcyosignup.com) beginning Sunday, April 29, 2007.
