

# Rules for ALL Games at the SoccerPlex

## Parents, Fans, and Spectators

- 1). **NO DOGS** are allowed on the grounds of the SoccerPlex.
- 2). All parents, fans, and spectators must be on the sideline **opposite the teams' benches** and behind the dotted restraining line or if there is no line completely off the "short grass".
- 3). Parents, fans, and spectators are reminded to keep all children off fields that do not have games being played on them. The SoccerPlex is not a public park. It is a private foundation and their rules must be followed if we are to continue to have games at this complex.
- 4). Parents, fans, and spectators are prohibited from going onto the fields at halftime. We also recommend that you refrain from going onto the field at the end of the game. We are on a schedule and other teams need to warm up prior to the beginning of their game.
- 5). Parents, fans, and spectators please park in designated spaces only.

## Teams

- 1). Coaches, managers, and players are not allowed to warm up on any field other than the one on which you are assigned to play. Vacant fields are not for practice or warm-up.
- 2). **Coaches, managers, and players are not to warm-up time in the goal crease area. This spot obviously absorbs the most wear and tear and in order to keep the fields in as good condition as possible the SoccerPlex asks that teams refrain from warming up in this area.**
- 3). Coaches and managers please park in designated spaces only.
